## Quaker Men's Weekend

Welcome men (of all paths) to a Quaker Men's Weekend!

Come to the circle and explore Quaker masculinities and their intersections in our lives and communities.

This weekend aims to create a safe, inclusive space to explore, deepen, and share our perspectives on Quaker masculinities and men's issues through discussion, worship, art, activities, work, and Friendship.

All men and those identifying with notions of masculinity (whatever those notions might be) are welcome - cis, trans, non-binary, all included.

If you think a Quaker Men's weekend is for you, then it probably is! If in doubt, please contact us at Thomas' email.

Commencing with dinner on Friday  
and ending with lunch on Sunday

This weekend is part of the Quaker Learning and Spiritual Development 2025 Seminar Series. It is one of the seminars held off-site from the Whanganui Settlement. This is an in-person seminar, without online or Zoom participation.

*Please let us know if you will need assistance in the event of an emergency evacuation.*

## Registration

**Fee:** There is no fee for this seminar. The venue is free to us as a Quaker group. Food for the weekend will be purchased communally with the cost split between those eating. Transport to the venue to be covered by participants. (If travel costs are prohibitive, please contact us, as there are various funds available to assist Friends to attend seminars.)

**To register,** please email the following information to Thomas Owen at [senorio\\_t@yahoo.com](mailto:senorio_t@yahoo.com)

- Your name
